

Advertising Program

To promote area/family businesses in the Koinonia community and provide additional fundraising opportunities for our homeschool group, Koinonia will be implementing an advertising program. Families are encouraged to approach area businesses to sell ad space at two different price options (details listed below) and **earn money towards tuition**. Pricing for ads and tuition credit are based on logo size & promotional offerings. Please note that there is a cap on the number of ads we can accommodate, and we will begin processing these once the signed paperwork is submitted. Each family may sell up to two ads.

All logos must be submitted digitally. Logos will be given a direct link to the sponsor's website.
